

Mums- this inaugural conference is for you whether you are juggling nappies or after school activities.

2021 Every Mum Conference is now open for registrations.

MOPS Australia will host an online conference called Every Mum Conference on Saturday 16 October 2021. This is open to all mums who wish to attend - current and past MOPS leaders and mums, and those who have never had a connection with MOPS before. It will be particularly relevant to those mums with school-aged children and under. A combination of pre-recorded sessions and live online interactive workshop sessions will be available on the day, with suggested agendas available for each timezone in Australia, New Zealand and Vietnam. The content will also be available on-demand for ticket holders for 90 days after the conference. More information and registration options can be found [here](#).

This women's conference will include sessions focused on parenting, personal development, leadership, spiritual growth and more. The keynote address from Mandy Arioto, MOPS International President, will be based around the MOPS theme for next year, ALL FOR LOVE, and the theme verse from 1 Corinthians 13.

**TICKETS:** Every person who wishes to attend the Every Mum Conference needs to register. Tickets will be \$40.00 per person, with an early bird price of \$30.00 available until mid-August. This will provide each delegate with a dedicated login to the platform and ensure that everyone has access to the Conference regardless of unforeseen changes to local hubs. A welcome bag is included in the registration fee.

**LOCAL HUBS:** Local hubs will offer an in-person experience showing the same content as the online conference, but offer the opportunity for connection and discussion together. The option to attend a local hub will be released in early September. Each local hub will vary and may incur an additional fee to cover venue or catering costs, set by the organiser of the hub. Anyone (individual or church) interested in hosting a conference hub for their community on Saturday 16 October 2021 is asked to contact MOPS Australia at [mopsconference@gmail.com](mailto:mopsconference@gmail.com) ASAP.

On the evening of Friday 15 October 2021, MOPS Australia will run sessions for current MOPS leaders to launch our All For Love theme for 2022 and celebrate the 21st birthday of MOPS Australia. This will be optional for non-MOPS leaders who wish to celebrate and find out more about MOPS. There is no additional cost to register for Friday night.

Mums who run a small business and are interested in a virtual exhibition booth for the Mumma's Online Market are asked to contact MOPS Australia at [mopsconference@gmail.com](mailto:mopsconference@gmail.com) ASAP.

MOPS Australia encourages and equips mums of young children to realise their potential as mothers, women and leaders, in relationship with Jesus, and in partnership with the local church.
